

SkillGRID User's Quick Start Guide

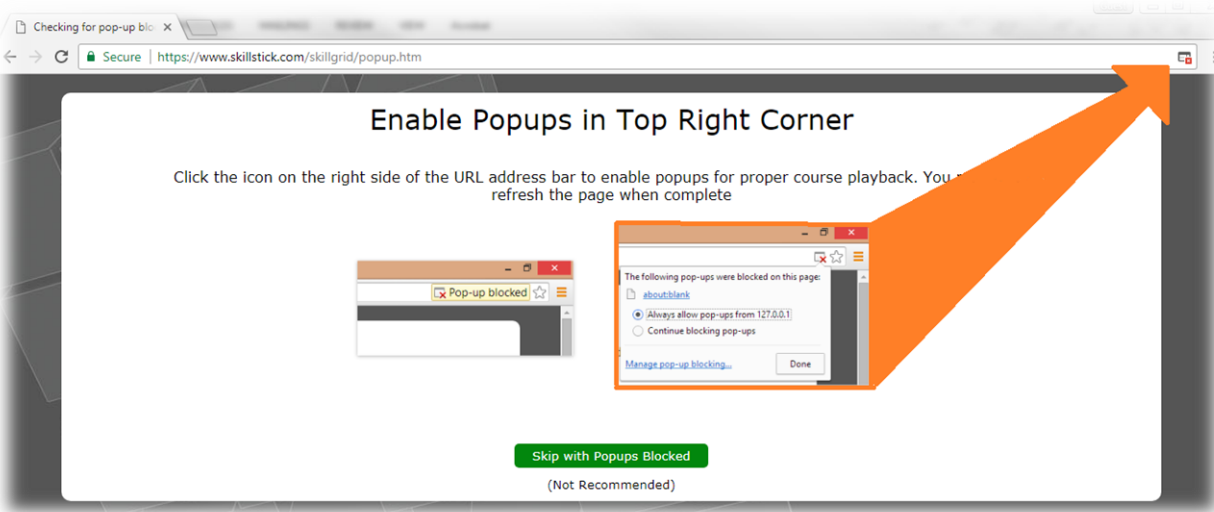

LOG IN:

Users log in from the portal page at <https://www.skillstick.com> (pictured below) using login credentials supplied by your administrator, or sent directly from the SkillGRID system.

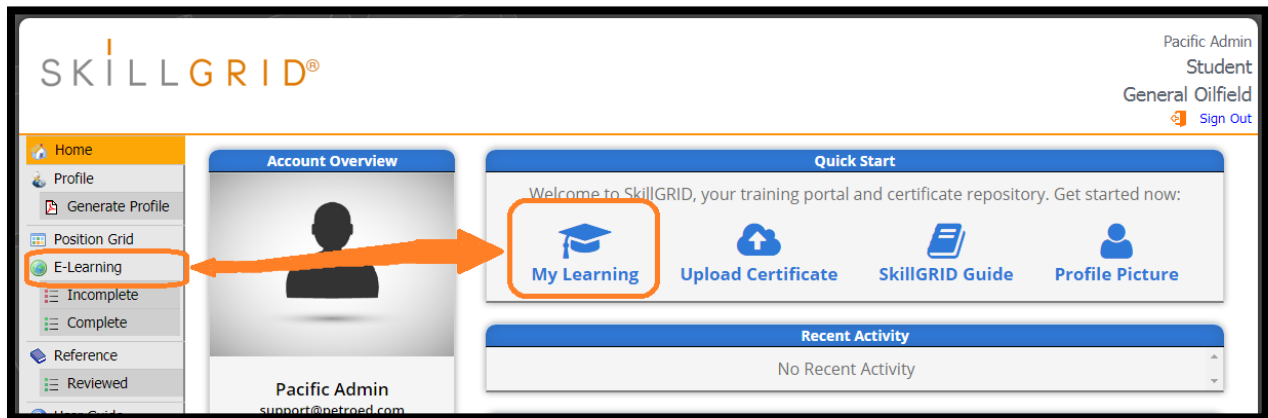

Chrome and Mozilla browsers are recommended for using SkillGRID

After initial log in, users are required to accept the End User License Agreement (EULA) before continuing to the LMS. This is a one-time check, then SkillGRID will check for pop-up blockers. Follow the instructions to enable pop-ups on skillstick.com.

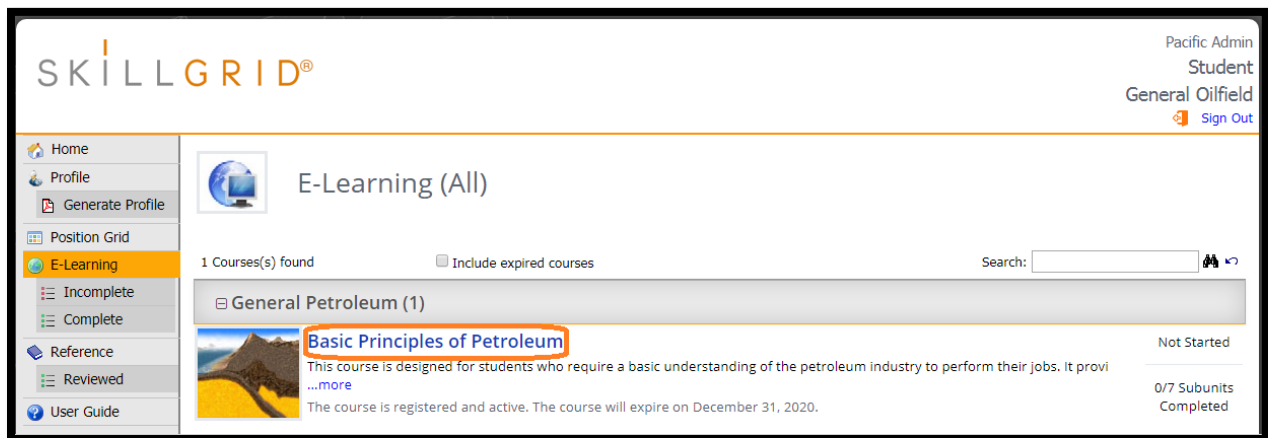

LAUNCH TRAINING:

From the Home Page, there are two ways to navigate to the E-learning Page.

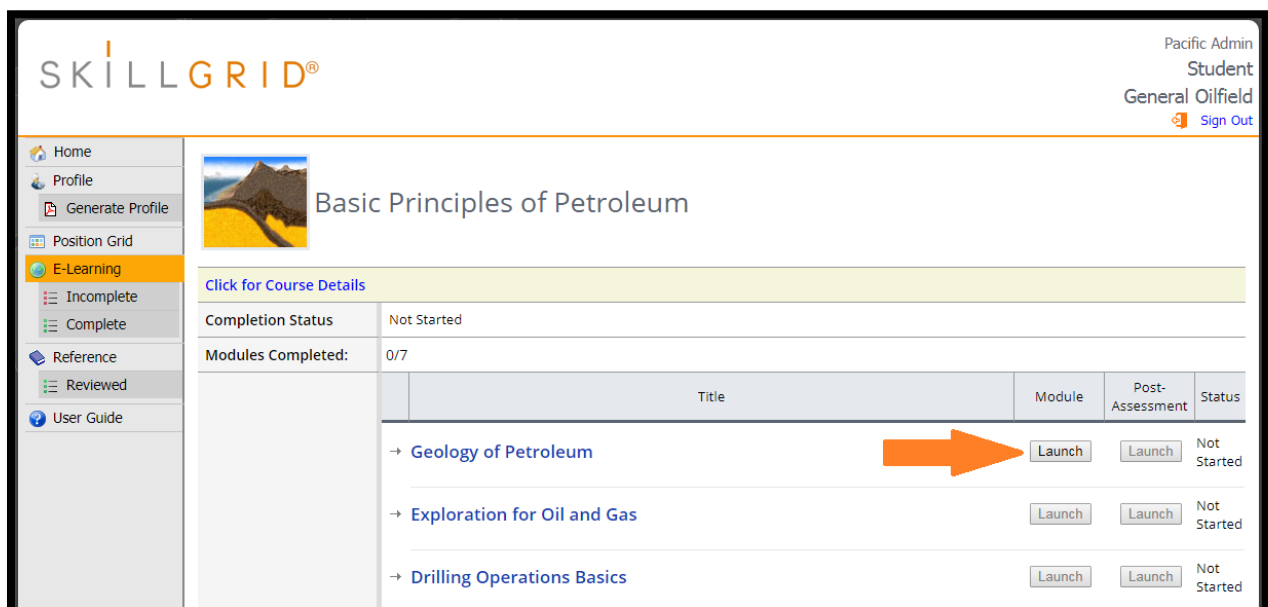

Additional features are covered in the SkillGRID Guide

From the E-learning Page, click on the title of the training course you wish to begin.

Click on the Launch button for the Module or Post-Assessment you need to complete

Viewing Module:

The screenshot displays the PetroEd interface for the module 'Basic Principles of Petroleum 1'. The interface includes a sidebar on the left with a table of contents, a main content area with a title slide, and a bottom navigation bar. Three orange callout boxes highlight specific features:

- 1:** A box around the 'Start' and 'Exit' buttons in the top right of the main content area.
- 2:** A box around the table of contents in the sidebar, which lists sections like 'GEOLOGY OF PETROLEUM' and 'SUMMARY' with slide counts.
- 3:** A box around the bottom navigation bar, which contains icons for settings, home, back, forward, and search.

The main content area shows the title 'Basic Principles of Petroleum 1' and a slide titled 'GEOLOGY OF PETROLEUM' with the text 'Welcome to the Basic Principles of Petroleum Program, Module 1: Geology of Petroleum.' A progress bar at the top right indicates 'Not Started: 85 slides'. The bottom right corner features the 'indaptive' logo and 'AMQ2014'.

- 1. Start/Resume (not pictured)/Exit module buttons**
- 2. Navigable text (upper – sections/lower – sentences)**
- 3. Player controls and language settings**
